ABOUT THE CONFERENCE 1985-2019

The 2019 Annual Environmental Training Symposium and Conference is presented by the Industrial Environmental Association and the California Manufacturers and Technology Association. **For 34 years the Conference has excelled in providing a balance of valuable information that includes environmental compliance guidance, and regulatory and legislative updates.**

ATTENDEES

The 500 attendees consist of environmental, health, and safety professionals, NGO representatives, environmental engineers, environmental consultants and attorneys, and government affairs representatives.

These attendees represent manufacturing, biotech, and high tech companies, as well as the Department of Defense, and federal and state regulators.

SPEAKERS AND PANELISTS

Speakers and panelists include California legislators and regulators who are at the forefront of environmental policy at the State and Federal level. Additionally, you will find award-winning consultants, representatives from a variety of non-governmental organizations, and leading California businesses.

PAST SPEAKERS INCLUDE

Alexis Strauss, EPA Region 9

Amy Mmagu, California Chamber of Commerce

Barbara Lee, Director, DTSC

Bob Kard, Jon Adams, Rob Reider, San Diego APCD
