

CALL FOR ABSTRACTS

37th Annual Environmental Training Symposium and Conference

October 5 – 6, 2021

You are invited to submit an abstract for the 37th Annual Environmental Training Symposium and Conference presented by the Industrial Environmental Association and the California Manufacturers and Technology Association. The conference will be held at the San Diego Convention Center on Tuesday, October 5, 2021 and Wednesday, October 6, 2021. Through this call for abstracts, we are soliciting presentations to be given during the symposium. We are accepting proposals from all segments of industry and the public sector: manufacturers, consultants, government, suppliers, regulators, legislators, media, and education.

Theme: Working Together for Environmental Justice and Economic Prosperity

The following categories will be considered. Other relevant topics are welcome:

- Advanced Sampling Methods
- Advanced Water Monitoring Techniques
- Air Monitoring – New fence line and/or portable equipment technology
- Air Quality
- Case Studies in Sustainability
- Case Studies in Sustainable Air Compliance in Environmental Justice Communities
- Case Studies working with technology vendors, regulatory agencies and the community to clean the air
- Energy Storage Technology Developments
- Environmental Justice
- Exide – A case study
- HazWaste Generator Regulations
- Health & Safety
- Health Risk Assessment Guidelines
- Implementation of innovative compliance strategies
- Implementation of innovative permitting strategies
- Indirect Source Rules – Who is affected and how?
- Industrial Storm Water – Case studies from Los Angeles/San Diego
- Los Angeles Measure W
- Monitoring Drones
- Monitoring Satellites
- Prop 65
- Remote Monitoring
- Successful demonstration of emission reduction technologies (stationary and mobile sources)
- Sustainable Sourcing and Green Products
- Waste Minimization and Recycling
- Water Reuse and Recycling

Presentations will be selected based on overall quality, relevance to today's issues, practical application to California's legislative and regulatory climate, adherence to the theme, and/or general interest to membership. Priority selection will be given to IEA/CMTA members. The 75-minute sessions consist of three individual presentations with a 15-minute Q&A to follow.

IEA is unable to pay honoraria or travel expenses.

To submit a presentation, please complete the form on page two. **Submittals that do not adhere to the format will not be considered. Abstracts will be accepted until 5:00pm on Friday, July 2, 2021.**
